**Join the hundreds who love this NEW approach.**

### WELCOME TO THE NEXT GEN IN CLINIC SOFTWARE

3GVision is dedicated to providing you with industry leading 3rd Generation Business Software that will SAVE YOU THOUSANDS on staff resources, hardware and software ultimately delivering world class customer service whilst maximising your business profits.

### HOW CAN YOUR CLINIC BUSINESS BE IMPROVED?

The powerful 3GB Clinics solution is the latest generation approach to manage all front-end and back-end processes on a single platform. Completely integrated and intuitive – 3GB Clinics CRM frees up time for your customers, automates administrative tasks, and ensures communications across your business are clear and visible to everyone.

Imagine one single easy-to-use solution that can be configured and customised by non-technical users – AND – sized for any clinic business, large or small.

### HOW DOES 3GB DELIVER REVOLUTIONARY BENEFITS?

Now that you can keep track of all your important activities and data in a single integrated environment, you can focus on revenue generating tasks – improved sales, better marketing, more productive alliances and better management. The 3GB Clinics solution is a radically different design from other applications, based on true clinics requirements and designed specifically for clinics.

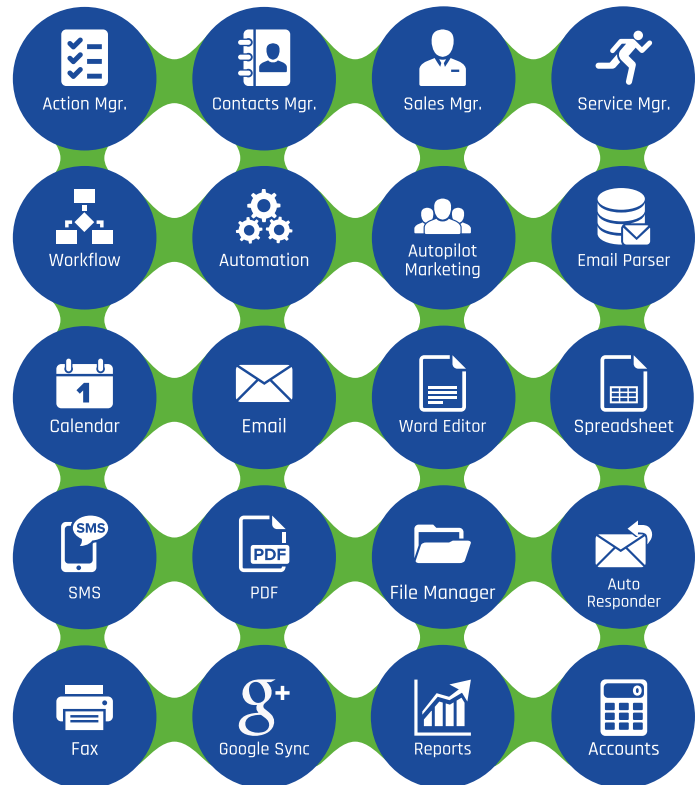

It optimizes and automates processes so businesses can maximize sales and deliver the best levels of customer service. 3GB Clinics is simple, designed with an MS Office look and feel, so you already know how to use it. It delivers the true power of your business to your market & customers.

**Reduce Costs + Increase Productivity  
+ Increase Sales = Maximum Profit**

**Client Manager** - It enables you to Automatically Generate, Manage and store ALL Client, emails, SMS, quotes, letters, documents, client data, pictures, calendar items, actions, tasks, activities, appointments, sales data, treatments and accounts.

**Appointment Manager** - With an MS Outlook design and feature set combined with new innovative never seen before capabilities the appointment manager is like having a free employee managing your appointments & treatments

**Treatment Tracker** - Provides you a full list of all treatments purchased, booked, re-scheduled, cancelled, no-shows, redeemed combined with treatment notes and consent form management.

**Process Manager** - Manages every stage of the sales process from the lead to the sale including the fulfilment process, greatly improving the conversion of leads. Auto emails and sms at each stage combined with pre and post-treatment info newsletters.

**Auto Confirmation** - Unlike any other system 3GB Clinics Automatically processes confirmations and manages them behind the scenes, sends out auto sms and manages the responses directly with the appointment manager and Auto generates outlook like reminders for the non-confirmations, reminding your staff to manually confirm.

**Sales** - Process the sale of products, single and series pack treatments with product notes, sales notes, volume and loyalty discounts, promotional and gift vouchers while automatically generating client history, invoices, receipts and accounts.

**Payments Manager** - Manage payments, pre-payments, gift vouchers and promotional vouchers including both redeemable and non-redeemable products and services with auto email receipts and multiple clinic balances for the same client.

**AutoPilot Marketing** - Provides PERSONALISED Auto Sales Process Marketing, Drip Feed Marketing, Trigger Based Marketing and List Management Mass Marketing for Email, SMS, Fax and direct mail.

**Accounts Manager** - 3GB Accounts automatically generates all your sales invoices and sales receipts with the ability of connecting directly to your accounting package. With End of day trading summary and the ability to manage numerous clinics you can track the accounts of one clinic or multiple clinics within 1 SINGLE SYSTEM.

**Security** - The 3GB Security Policies enables you to limit what each user can access, client files, accounts, marketing, reporting, dashboards, user/team/clinic/multiple clinic view, emails, faxes, SMS, web forms and VMS messages, calendars, appointments, documents and system set-up plus full system logging.

**Reporting + dashboards** - The Reporting system enables you to create and save custom reports. The 3GB Dashboard provides you a single glance view of the performance of your business with capabilities such as Sales by Employee, Employee Performance, Leads by Media, Pipeline plus much more...

**Services Manager** - Provides you the ability to set-up redeemable and non-redeemable services at which clinics in what rooms, with duration, price, resource requirements, series packs and prices with sales notes and product notes along with auto template appointments.

## About 3G Business

3G Business is a private cloud system with a complete suite of 26+ Business Applications that enables you to automate sales, marketing, admin and accounts. With a beautiful MS Office look-n-feel and Apps similar to MS Word, MS Excel, Outlook Email, Outlook Calendar plus numerous other Applications, your staff will immediately be familiar with it.

Designed for both single location and large multi-location chains 3G Business is a private cloud solution meaning you get your own dedicated system, with dedicated back-ups and dedicated storage. One of the most feature rich beauty systems on the market 3G Business enables you to manage and automate your business with ease, grow sales, increase customer loyalty and get more customers with the AutoPilot Marketing system.
